PUBLIC OPEN HOUSE

US 12 DOWNTOWN LITCHFIELD STUDY

February 2, 2016
4:30-6:30pm

The Sweet Depot
(lobby area)
207 N Sibley Avenue
Downtown Litchfield

About the Study

The Minnesota Department of Transportation (MnDOT) intends to reconstruct four blocks of US Highway 12 and Minnesota Highway 22 through downtown Litchfield from Commercial Street to 4th Street. This project is planned for 2019 and includes the reconstruction of the existing roadway and sidewalks from building face to building face.

Prior to construction, MnDOT is asking for public feedback as part of the US 12 Downtown Litchfield Study.

Three streetscape concepts and the proposed detour route will be available to view at the February 2 open house.
